

Quality Policy

Atlaspantou Co Ltd is involved in building and civil engineering works within the Cypriot market and is committed to achieving consistently high standards of service to our Customers and we firmly believe that quality improvements can best be achieved on the firm foundation of a quality system.

To achieve this our purpose is to operate a Quality Management System (QMS) in accordance with the requirements of ISO 9001:2015 and thus be able to ensure our Customers obtain the standard of service specified and, where possible, that their needs and expectations are exceeded.

Top management is committed to:

- Satisfying applicable requirements by ensuring that customer and applicable statutory and regulatory requirements are determined, understood and consistently met.
- Continual improvement of the QMS by ensuring the risks and opportunities that can affect conformity of services and the ability to enhance customer satisfaction are determined and addressed and the focus on enhancing customer satisfaction is maintained.

Top management shall:

- Take accountability for the effectiveness of the QMS.
- Ensure the quality policy and quality objectives are established for the QMS and are compatible with the context and strategic direction of the Company. Quality objectives have been set and are maintained as part of the QMS internal auditing, monitoring and management review processes, in order to enhance customer satisfaction.
- Promote the use of a process approach and risk-based thinking.
- Ensure that the resources needed for the QMS are available in all areas: including training, support and encouragement.
- Communicate the importance of effective quality management and of conforming to the QMS requirements.
- Ensuring that the QMS achieves its intended results.
- Engage, direct and support persons to contribute to the effectiveness of the QMS.
- Promote improvement.
- Support other relevant management roles in order to demonstrate their leadership as it applies to their areas of responsibility.

This policy will be communicated to all employees and organisations working for or on our behalf. Employees and other organisations are expected to cooperate and assist in the implementation of this policy, whilst ensuring that their own work, so far as is reasonably practicable, is carried out without risk to themselves, others, or the environment.

This policy will be reviewed annually by top management and where deemed necessary will be amended and re-issued. Previous versions of this policy are archived.

This policy is available to relevant interested parties, upon reasonable request.
